Greetings from the Chapter Directors

Welcome to our Totally Combined GWTA Newsletter
For All the Washington State Chapters

Greetings from WA Chapter A Director

Hello,

Starting to see more attendance at our meetings and events. Our August Chapter A monthly meeting made me so happy to see so many wheels in the parking lot!

We had 22 people in attendance. 4 were Chapter C and one guest who signed up for GWTA right after the meeting. Be sure to say hello to Barry Uhde.

Details for the following events are in this newsletter and emails forthcoming.
August 30th Fives Aces Ice Cream Ride led by Mike Briese. Watch your email.
Sept 5th to 8th WA State Campout at Squaw Rock in Naches WA. See Page 8
Sept 28th Annual Oyster Run, Anacortes WA. Watch email for details.

Looking for ideas for *after meeting rides, ice cream destinations*, etc. Would love to have members offering to be a ride leader once in a while, and/or route designers. If you never done either but are interested, contact me.

Cheers,
Jocelyn

Greetings from WA Chapter C Director

Hi folks,

I hope many of you will join us for our GWTA WA campout September 5-8 at Squaw Rock RV Resort & Campground (<https://squawrockrvresortandcampground.com/>) this year. We've been doing this for a few years now, and we're expecting the largest group yet.

We're going to have a BBQ dinner for everyone on Saturday night, followed by a dessert potluck. Whatever we have for leftovers will be available for lunch on Sunday. Our new Regional Director has provided some funds to cover the cost of the dinner. (Thanks Vonda!) If you have a favorite dessert that you make from time to time, and you have room in your vehicle, please bring some to share at the potluck. We'll be travelling by car to Yakima on Friday to buy groceries for the BBQ dinner.

If you happen to be travelling in a vehicle larger than a motorcycle, such as a car or RV, and you happen to have a spare cooler or a portable propane grill, please bring it to the campout. I'm not sure that we'll need it, but I'd much rather have extra coolers and grilling capacity than find that we don't have enough.

We can also use some serving and cooking utensils, (large spoons, tongs, spatulas, etc.,) but please put your name on them. (A piece of masking tape with your name works really well.)

Most folks will arrive on Friday and stay until Monday. (Your plan may vary.) Everyone is making their own arrangements for a campsite or cabin directly with the campground. We'll have two short day rides, one on Saturday, and one on Sunday. Each ride will head out at 10am. My phone and email info are below. Please reach out to me if you have any questions at all.

This has always been a lot of fun, and I'm really looking forward to it!

By Mike Briese, WA Chapter A

I love riding in the summer, but road construction does get in the way. The 39th Annual Buzzard Butt Buster is in the books. Mindy, Todd, Jesse and Eva, Todd and Lisa, Pat and Ruth and I have completed at least seven years of camaraderie on this annual event. It is rumored that the 40th will be the last but only time will tell. As with all things, nothing lasts forever.

This year we rode to Moses Lake, then headed southwest to Goldendale and from there east to the Clearwater River Casino & Lodge in Lewiston, Idaho for the banquet. Three days of riding and two nights of partying with friends and then one last long ride home on day four.

Day one of our four-day ride was a little bit of an eye opener. Someone decided we should go over Cayuse and Chinook passes instead of White Pass on Hwy 12. The feeling was that the route over White Pass always seems to be less than motorcycle friendly.

Well, I'm here to tell you that taking Hwy 123 to Hwy 410 was a poor decision. Hwy 123 between Hwy 12 and Hwy 410 is no bueno. Two miles of the asphalt was being replaced and we were attempting to travel in the middle of their work schedule.

The road was scheduled to be closed on Saturday and Sunday, 16th and 17th, for the paving completion, but this was Thursday and the crew was tearing things up. Hwy 123 was under some pretty heavy construction. We were stopped for about 10 minutes while we waited for traffic from the other direction to roll through. Then it was our turn to roll through the gravel for the next two miles and then be stuck in a long line of vehicles until we got to Cayuse pass to make the turn onto Hwy 410. Once we were able to get on Hwy 410, things got better.

On the plus side, it was a great decision not to travel over I-90. The Vantage bridge in both directions from milepost 136 to 138 had continuous single-lane closures. From reports we heard, it was up to a three-hour delay for our fellow riders that took that route.

And on our route from Moses Lake to Goldendale, we took US 395 towards I-82 to Hwy 14. The Columbia River Bridge into Oregon had a single lane closure and was causing a big delay on US 395. Luckily the backup was within a few hundred feet of the exit to Hwy 14 and we exited without much of a delay.

The stay in Goldendale was a bit of a problem for Todd. The Quality Inn & Suites was booked up solid when Todd got around to making a reservation back in April. The so he contacted the Ponderosa Motel which was less than ¾ of as mile ways and made his reservation. No big deal, right? Wrong. They cancelled his reservation on the day he made it and didn't tell him. It was really a third-rate motel anyway, the kind that makes you want to check the sheets for bed bugs. We moved rooms around amongst us at the Quality Inn and got him a place to stay. Luckily, there were no issues at all at the Casino. It was a perfect place to end the 39th Annual Buzzard Butt Buster. Great banquet. I hope it is just as good for the 40th in 2026.

Dennis Murphy
WA Chapter A Mechanical/Technical Advisor

It has been a busy summer and I am ready for some R and R at Squaw Rock. It was great time last year and should be the same this year too. If you haven't done so or thought about it then you should go too.

I was riding to work and noticed that the bike was riding kind of funny. I checked the tire pressure and found a nail in my back tire. It was a slow leak but definitely noticeable. I figured that I would take it off and take it to my friend Dave Taylor at 410 Moto.

I could take it off but I couldn't get it out from underneath the bike with the hitch and amp in the way. I have seen on Youtube, people just laying the bike on it's side and sliding it out. I wasn't really willing to do that. So, I put the wheel back on and took the whole bike to Dave.

He plugged and patched the tire and I ordered a new set of Dunlops from him.

One week later it went back to him and he changed them both while Sharon and I went to breakfast. Nothing like having a new pair of shoes!

This Wing, being a 2015 has a tire pressure monitoring system on it but it really lacks in the information department. Basically, it just tells you that it has a low tire. It doesn't even tell you if it's the front or back. This system was bypassed long ago because the batteries needed to be changed and it was on all of the time. And I had different wheels on it too.

I used to have the Fobo TPMS on my 2012 and when I traded in for the 2019, I sold it.

Time for another set up for both bikes. I got them from Amazon and it seems to me that the price went down a lot from when I had the system before. You can get them for 2,3,4 or more wheels.

The system works with an App. Set up is super simple.

The app will tell you the tire pressure, when cold or hot and will let you know when the tire is below the pressure that you have selected for that particular wheel. It sounds an alarm to let you know if it gets below the preset pressure.

It will also let you know the temperature of the individual wheels.

It's a nice setup and very user friendly. Check it out on Amazon.

Who Is Hamburger Harry?

Hamburger Harry is the proprietor of the world famous *Hamburger Museum* and the creator of the world's only completely custom *Hamburger Harley*.

When you see a hamburger driving on the road, don't be too surprised. It is just a Harley Davidson dressed up to look like an exact replica of a hamburger created by *Harry Sperl*.

Airbrush artist Chris Cruz helped to create the detailed paintwork on the burger, from the melting cheese fender to the ketchup bottle shock covers. It is complete with cheese, pickles, onions, lettuce and tomato, with a side of fries and a shake. The best part is a stereo which plays the sound of frying burgers as these custom Harley wheels drive down the freeway.

“Chapter “A” has been enjoying FUN since September 1980.

Join them for their **monthly 4th Saturday** breakfast meeting
9:00 am Eat, 10:00 am Meeting. A ride normally follows the meeting.

Rainbow Cafe Restaurant, 112 E. Main St., Auburn, WA. 98002

The Famous WA “A” 5 Aces Ride.....

At Chapter “A” we’ve noticed that **4 months** this year have an additional 5th Saturday! We at Chapter “A” honor those extra Saturdays with an “**Ice Cream Ride**” aka **The Famous WA “A” 5 Aces Ride.**

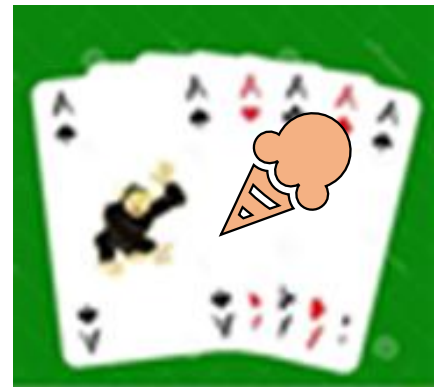

The Chapter is buying!!

March 29th was Iscreamery in Gig Harbor.

May 31st was cancelled due to weather.

Aug 30th will be COPPER CREEK led by Mike Breise,
and Nov 29th....hmmmm?

Suggestions for destinations are welcome

Found on Facebook funny page:

So....a lot of people ask me why I eat so much ice cream. The truth is, I have a rare condition. My body doesn't produce its own ice cream. It's called Ice Cream Deficiency Disorder. To manage it, I have to supplement it. Daily. Sometimes hourly. It's genetic. July is Ice Cream Deficiency Disorder Awareness Month...so please don't judge me. Just pass the sprinkles.

July-August 2025 SNIPPETS

July 26th, 2025 WA A monthly meeting. Great Attendance of People & Bikes.

"Ride around Rainier"

7/19/25.

A beautiful day to ride.

Photos by WA A Dianna Hemmi and one road photo from WA A Steve Ragland.

Fun was had by 9 bikes with 2 co-riders.

A group of motorcyclists is riding on a two-lane asphalt road that curves to the right. The lead motorcycle is a black Harley-Davidson. Behind it, several other motorcycles are visible, including a white one and a red one. The road is bordered by a dense forest of tall evergreen trees on the left and a grassy shoulder with a metal guardrail on the right. In the distance, a white car is visible on the road. The sky is overcast and grey.

DID YOU KNOW?

Chapter "A" became officially operational in September 1980

The Chapter CD Lee Adams was known around the area as the Ape man due to he had so many Apes attached to his bike. They almost covered the bike. I, Don Hatley, was ACD at the time and took over as CD when Lee was transferred to Texas by Boeing. It only made sense that the Ape would continue to be our mascot.
