Hello,

I, Vonda, want to thank everyone for an amazing camp out. The ride over was not so good as the smoke from the fire covered up part of the road, going over Highway 410. But once we reached the park, it was in a small valley and the smoke was not so bad.

What was amazing to me was how much I missed our little motorcycle camper. I missed that awesome air mattress, that is sooo comfortable. I missed cooking outside and our anti-gravity chairs and watching the sun go down. The only thing that didn't go well was the storm Saturday night and we had to get up and get everything tied down. The lightning bolts across the hills were huge and beautiful at the same time.

Thank you, Chapter C (Howie and Dianna), for doing all the shopping and working so hard to get dinner prepared. With your elves grilling and helping getting tables set up.

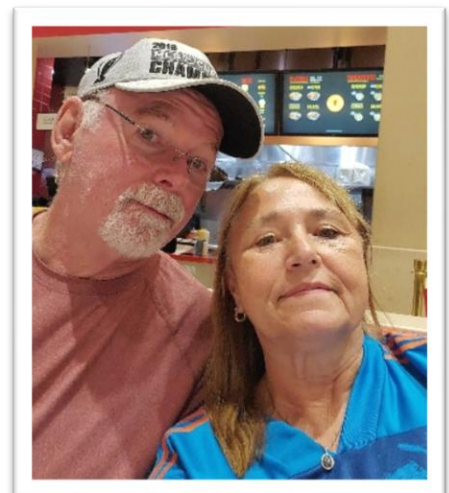

Food was great and the deserts everyone made were delicious.

Thank you everyone for learning the game I brought. What is incredible to me is how quickly everyone caught on, the maneuvering that went on to hit people's marbles, I was feeling a little picked on ha-ha. Also, I am impressed by how many game players love homemade wine and game playing. And I learned some new songs that I never knew existed in the world. AAH thank you, I think.

I really want to thank Chapter U for showing up for this event. I am glad that everyone finally got to meet those 2. They are and best. Teri is our state treasurer. These 2 belong to another group and they are involved in putting together around \$5000 worth of Christmas gifts for kids every year. That is why we send STP money to them every year

**Also, it was so nice hearing my husband talk about cars and motorcycles again with so many knowledgeable mechanics and lovers of the vehicles they drive and have driven. He had a great weekend, and he thanks you also.
Thank you for everything**

The traditional riding season is about over, but not for everyone.

At the request of the Chapter Director, the after-meeting ride for August was the Puppy Ride. The Five Aces Ice Cream Ride on the 30th of August was next. Then the Squaw Rock Camp Out was September 5th through the 8th. Upcoming in late September will be the Anacortes Oyster Run. After that, there are no real rides scheduled until the end of November when we will have a Five Aces Ice Cream Ride, weather permitting.

The after-meeting ride was successful, I think. The weather was very nice, and we had nine bikes and eleven riders/co-riders to the best of my recollection. We had both Chapter A and C folks on the ride. At the end of the ride, we stopped at the Maple Valley Dairy Queen for some much-needed refreshment (Ice Cream).

The Five Aces Ice Cream Ride was well attended. I didn't take note of all that were there, but I think we had thirteen bikes and fifteen riders/co-riders. We started at McDonalds Restaurant in Tacoma. From there we rode to the Copper Creek restaurant in Ashford. After blackberry pie and ice cream, some of the Chapter C folks left us to find their own way home. It turns out though that they pretty much took the same route we did.

I have to say that the ride to Copper Creek was probably one of the best rides we have had lately. Never once did we get split up on the road by four wheelers. That was quite a feat since we had thirteen bikes. Good job guys.

On the fourth of September, a few of us rode to Squaw Rock Campground to start our four-night, five-day fun weekend. On the ride to the campground, however, we encountered lots of smoke in the air on Hwy 410 caused by the Wildcat Fire near Bumping Lake. I was thinking that if it didn't get much better that this was going to be a lousy weekend. I had thoughts of bagging the whole idea and turning around and heading home. Luckily, the wind shifted, and the smoke cleared somewhat on Thursday evening and by Saturday morning, we were treated to clear blue skies. As of September 19th, the Wildcat fire has burned 8,849 acres of wilderness and is still only 8% contained.

Most of us had reserved cabins to stay in and there were three fifth-wheelers and a coach in the mix as well. All told there were twenty-eight people that attended. On Saturday morning, Vonda made biscuits and gravy for whoever wanted to join her and Gary. Saturday evening's meal was prepared by many and was funded by Washington district. Vonda also offered to make scrambled eggs on Sunday morning for anyone that was interested. Thank you, Vonda. Dennis and I had coffee, waffles and bacon Friday, Sunday and Monday.

There were rides on Saturday and Sunday. Saturday was a ride to Packwood and back. I don't know what everyone did in Packwood though; I bailed early. Sunday's ride was to Winegars Ice Cream in Ellensburg.

The ride on Sunday was supposed to be over Hwy 123 but since it was closed due to construction, the route to Winegars was the best alternative. The wonderfully winding ride to and from Winegars was the same in both directions but it always looks different on the flip side. Evening entertainment for the weekend was lots of conversation, Dennis's battery-operated bug zapper and considerable adult beverage consumption along with entertaining games of Joker's and Marbles. Talk to Vonda about the Jokers and Marbles game and you'll have to ask Dennis about his battery-operated Bug Zapper.

The ride home on Monday was much pretty much smoke free. There was very little traffic on Hwy 410 Auburn. The construction and traffic due to the White River detour really slowed things down. It took an hour longer to get home than it should have. Yes, we are going to do it all again next year. Don't miss it. Don't forget the Anacortes Oyster Run on September 28th. 6:00 am. KSU from Kent Chevron across from the McDonald's on 84th and 212th. Then 7:30 KSU am at Smokey Point Rest Stop. Destination: Calico Cupboard, Anacortes by 8am.

I really enjoyed seeing everyone at Squaw Rock.

A little smoky at times but it was awesome. Very relaxing.

The ride to Ellensburg was awesome. Riding the back roads to and from was fantastic. The scenery, the ride, the ice cream, and friends, what a great way to spend the day. I'm already looking forward to next year. Hopefully, there won't be the fires going on. And the bridge in Buckley should be open by then...

I reserved the same cabin for next year. Since they have new owners, they have changed a couple of things. When reserving the room, they bill you for one night on the credit card. Not the whole stay. If by chance you have to cancel, do so more than two weeks before planned stay and you'll get the deposit back. If you cancel within the 14 days, they will keep the one night deposit. For their policy, click the link below.

I finally got a date for my knee replacement surgery. Finally. It will be November 12th. It will be nice taking most of the winter off. LOL

I can sit on the deck with the two heaters on and stay warm. With a hot chocolate of course.

Today, Saturday I will be trying to figure out why, upon pressing the push-to-talk switch on the Wing, the transmission breaks up and also changes the iPod and or the radio station too. I've never had this problem before but I'm thinking that it shouldn't be too hard. I got a lot of good advice from Mike Breise. He's a great source of information. That's what's nice about the Goldwing family. If you don't know the answer to something, just ask.

I ended up buying to trailer that I pulled over to Squaw Rock. I've owned 2 others and never really used them more than a couple of times. But eventually, I'll retire and plan on using it a lot.

So....a lot of people ask me why I eat so much ice cream. The truth is, I have a rare condition. My body doesn't produce its own ice cream. It's called Ice Cream Deficiency Disorder. To manage it, I have to supplement it. Daily. Sometimes hourly. It's genetic. July is Ice Cream Deficiency Disorder Awareness Month...so please don't judge me. Just pass the sprinkles.
