

Chapter I will be having their very LAST gathering in the form of a Christmas Party (paid for by the Chapter). Please make reservations with Ron and Marcia Wolf (see below).

Date - 12-11-2022

Time - 1pm - 3-4pm

Location - VFW #318 on Martin Way (across from Bowling lanes)

Menu - Complete Christmas dinner and dessert.

Gift stealing will be happening (\$15 - \$20)

Please come even if you haven't attended any functions in a few years or longer. It will be nice to visit with old friends and share what's been happening in your lives. Due to the closing of National GWRRA forever, We, as Chapter I will no longer be an organization!!!! The friendships will still be there, however now would be a good time to say something to people we have missed being in contact with or renew some old contacts.

Ron Wolf - 360-790-6901 Wolfden10@comcast.net

Marcia Wolf - 360-790-6902

It is imperative we have a count on who will be attending. We need a minimum of 20.

Personally, I have been in Chapter I since 1995 (27 years)! There are so many friends that have come and gone through years it would be wonderful to see again! I know there are many others that feel the same way also.
